- I understand that if the groomer does not understand my instructions or cannot groom my pet according to my instructions, my pet **will not be groomed** until I can be contacted to elaborate my instructions or agree to an alternate style.
- Occasionally, grooming can expose a hidden medical condition or aggravate a current one which can occur during or after grooming. Severely tangled, matted, or very uncooperative pets are at a greater risk of injury, stress, nicks, cuts and clipper irritation.
- By signing below I certify that I understand the above statements. I authorize Orchard Park Animal Hospital to provide medical treatment in the event of a medical emergency. I agree to accept full responsibility for the payment of all charges incurred. Also, realizing uncooperative pets are at a greater risk of injury, I will not hold this establishment responsible for any accident or injury to my pet.

I have read the above and understand the terms thereof.
